**SUBJECT: Pete's Place/Papa Franks Renewal Report for 2009 – License #07-68857-0000**

The following are the finding, concerning a background investigation of the above mentioned licensed establishment, agents and managers of Papa Franks.

- A records check of the Frederick Police Department indicates no arrest for the agent, Thomas Rizzi.
- A records check of Frederick Police Department records indicates that there were two offense reports on file for the reporting period.
  - 08-1057-Male/Female domestic assault; occurred inside and outside of the bar. Warrant issued for male party.
  - 09-0820-Attempted Burglary to the business.
- An NCIC/CCIC check indicates an identifiable record for the agent, Thomas Rizzi. The record indicates that Thomas Rizzi's last arrest was in 2004. A current arrest warrant issued 08-07-09 by the Weld County Sherriff's Office for failure to appear was found. I called Tom and advised him of the warrant, he responded immediately to the police department and posted the \$172 bond. The warrant was issued for not appearing on a small claims issue.
- A driver's history check indicates that the agent, Tom Rizzi, possesses a valid Colorado Driver's License.
- A check with the Colorado Secretary of State showed that the business, registered under the name of Pete's Place/Papa Franks, LLC is delinquent as of January 2009. (see attached).

### FINDINGS SUMMARY

This licensed establishment has not posed a problem (not unusual volume or type of calls) during the past year for the Police Department. The failure to appear warrant was taken care of; Tom stated he thought he had previously taken care of it. The articles of incorporation are delinquent. This licensee seems to not be proactive in addressing potential license issues. He was contacted by staff to remind him the license was due to expire. I contacted him to advise of the warrant. His file for the State is delinquent.

In considering the application for renewal, there does not appear to be a sufficient reason at this time for the policed department to recommend non-renewal.
